

*The ultimate loan presentation system*

Move potential clients from curious to closing when you visually answer their most important questions with full-color presentations.

With **MSS Borrow SMART Analysis** you will go beyond a spreadsheet or notepad and get powerful, professional reports that match any borrowing or repayment scenario.

**MSS Borrow SMART Analysis enables you to:**

- » **Publish** presentations, open house flyers and finance flyers.
- » **Record** every presentation to satisfy compliance needs.
- » **Share** a computer screen with remote prospects and run live scenarios.

Get the all-new **MSS Borrow SMART Mobile** included for **FREE!**

Each and every time a client or referral partner runs a purchase simulation, checks live rates or calculates a payment - you will know.

- » **Increase referral business.** Have your fully branded application and contact information on the smart phones of REALTORS®.
- » **Make first contact.** Automatically send emails to prospects each time a name is entered for a purchase scenario.
- » **Be in the know.** Real-time loan calculations get synced directly to your MSS Borrow SMART account.
